Internal Auditor's Report

The Internal Auditor answered "Yes" to test F regarding petty cash payments. The correct response is "not covered" as the Authority does not operate a petty cash system.

The Authority should ensure that the Internal Auditor's report is reviewed before sending the document to the external auditors. The Authority should minute this process. If there are any errors in the report it should either be amended by the Internal Auditor or the Authority should provide an explanation for the error.
