23. New Correspondence & Business

Good morning all,

Following yesterday's accident on the A38, I am seeking support from the parishes for the resident lead group SAFE 38. Ironically, the SAFE 38 group met in Tideford last night. Will you please circulate this request with all parish councillors?

If councillors are willing to support the SAFE 38 group, will they please...

1. Join themselves and share the SAFE 38 Facebook page with residents in the parishes - <https://www.facebook.com/groups/1639591252774588/>
2. Share the website address <http://www.safe38.org/>
3. Let me or the group know of any effective and legal ideas to lobby for some short term safety solutions.

If I have missed anyone off the list who should be included please pass on this request for support.

Oll an Gwella/All the Best
