Dear Member and Clerk,

We hope that the guidance and advice provided over the past year has been helpful and that your council will once again wish to affiliate to the Association for the coming year and benefit from the ongoing support available to you as part of your subscription. Continuing membership of the Association will ensure that your council remains well-informed and supported to meet the many challenges ahead as we move forward out of the Coronavirus Pandemic.

An invoice for your subscription 2022/23 is included as an attachment to this e-mail which reflects a 2.5% increase on the CALC fee for the year.

We endeavour to provide a flexible service to our members at all times and hope that you will continue to support the association by affiliating once again this year. If you have any queries about your council's membership please do not hesitate to contact me.

It will be much appreciated if your council could make payment by internet banking/BACS transfer if at all possible. Our account details are included at the foot of the invoice.

Yours sincerely,

Sarah Mason
