

Stoketon Cross, Saltash
July 2026

Traffic Management Update – A38 Stoketon Cross / Trematon Lane Junction

We would like to inform you of upcoming traffic management works at the A38 Stoketon Cross / Trematon Lane Junction.

Planned night works will take place on the following dates:

- **Thursday 30 July and Friday 31 July 2026** – Surfacing works will be carried out under four-way temporary traffic lights.
- **Monday 3 August to Friday 21 August 2026** (*weeknights only*) – Overnight traffic management will be in place to facilitate essential works.

Working hours:

Traffic management will be in operation each night from **8:00pm to 5:00am**.

These night works are necessary to facilitate:

- The installation of new Vodafone ducting across the junction.
- Installation of new drainage, which requires excavation of the existing carriageway.
- Surfacing works on the A38.

We appreciate your patience and understanding while these essential improvements are carried out. Every effort will be made to minimise disruption, and we apologise in advance for any inconvenience caused.

For more information about this scheme please visit Montel Civil Engineering's website, and head to live projects section, and we would like to thank residents and road users for their continued patience while these essential works are carried out.

Kind Regards

Montel Civil Engineering Team
